10  
 THE FINANCE COMMITTEE RECOMMENDS APPROVAL OF 2010 BUDGET ADJUSTMENTS TO ADDRESS SHORTFALLS IN JAIL BED RENTAL REVENUE AND PROPERTY TAX REVENUE.

June 7, 2010

To the Honorable Chairman and  
 Members of the Board of Commissioners Agenda Item: 78-5-10F

Lady and Gentlemen:

We your Finance Committee recommend the attached adjustments that address shortfalls in Jail Bed Rental Revenue and Property Tax Revenue as projected through the remainder of 2010. (The County Clerk is to include the attachment as part of the Board of Commissioners minutes.)

Page 8 MAY SESSION 2010  
 CONT.

Projected shortfall in Jail Bed Rental	\$ 755,369
Projected shortfall in Property Tax Revenue	<u>896,359</u>
Total adjustment required	<u>\$1,651,728</u>

To offset these shortfalls, we recommend reducing expenses through a one-time elimination of the scheduled 3<sup>rd</sup> and 4<sup>th</sup> quarter transfers to the Health Insurance Fund. This fund currently has a fund balance of almost \$2.5 million and can absorb claims for the 3<sup>rd</sup> and 4<sup>th</sup> quarters, while still maintaining an adequate balance. We also recommend increasing use of surplus to cover the balance.

We also recommend that the Board immediately require all new and vacant positions be reviewed and approved by the Board of Commissioners prior to posting. Additionally, we authorize the Administrator/Controller to work with departments to make appropriate adjustments to departmental 2010 budgets.

THE HUMAN SERVICES COMMITTEE AND THE FINANCE COMMITTEE RECOMMEND APPROVAL OF THE FILLING OF VARIOUS POSITIONS IN THE SHERIFF'S OFFICE FOR THE STAFFING OF THE NEW JAIL AND THE REQUIRED BUDGET ADJUSTMENTS.

May 13, 2010

To the Honorable Chairman and  
Members of the Board of Commissioners                      Agenda Item: 162-12-09HSF

Lady and Gentlemen:

We your Human Services Committee recommend approval of the filling of the following positions that were budgeted for in the 2010 budget:

- Corrections Deputy 50% (20 hrs/week) currently vacant (fill as budgeted)
- Corrections Deputy (40hrs/week) currently vacant (fill at 50%-80% as needed)
- Fiscal Officer (40 hrs/week) currently vacant (fill at 50-80% as needed)

It is imperative that the Sheriff hire these positions immediately in order to complete the required training. Having these people hired and trained will allow him to accommodate additional inmates expected in the near future.

Additionally, the request to increase all budgeted corrections positions that have been filled at reduced levels to full status upon the opening of Pod C. The change in their status will not occur until the Sheriff has boarded a sufficient number of inmates to require its opening. The Human Resources Director will receive notification prior to the status changes of these employees.

Page 9    MAY SESSION 2010  
CONT.

- In addition, the following changes to other positions outlined in the 2010 Budget:
- Eliminate one .5 Lobby Receptionist Position (20 hrs/week), which will help fund some of the proposed changes.
  - Change one FT Transport Deputy (budgeted at 40 hrs/week) and one PT Transport Deputy (budgeted at 20 hrs/week) to three PT Transport Deputies (up to 32 hrs/week each).
  - Increase Visitation Deputy currently hired at .2 FTE (8 hrs/week) to a .5 FTE (20 hrs/week or as needed).
  - Change one .5 FTE (20 hrs/week) Inmate Records clerk, currently vacant, to one .5 FTE (20 hrs/week) Corrections Deputy.

The hiring of these individuals should provide the Sheriff adequate staff to operate the new Midland County Jail. This will also provide some additional staffing flexibility that may be needed the jail continues to expand and evaluate operations.

We your Finance Committee reviewed the Sheriff's personnel and budget request and recommend approval of the attached adjustments to the 2010 Budget.

BOARD OF COMMISSIONERS REQUEST APPROVAL OF COMMUNICATION INDICATING THAT THE MIDLAND COUNTY BOARD OF COMMISSIONERS ARE NOT IN SUPPORT OF THE GREAT LAKES BAY MICHIGAN WORKS RECOMMENDATION TO DISCONTINUE HAVING ANY COUNTY AS THEIR ADMINISTRATIVE ENTITY.

May 18, 2010

To the Honorable Chairman and  
Members of the Board of Commissioners

Lady and Gentlemen:

We are requesting the Board of Commissioners approve this communication, and if approved to be sent by the County Clerk, to the Midland Workforce Development Board members, Saginaw and Bay County Commissioners indicating that the Midland County Board of Commissioners are not in support of the Great Lakes Bay Michigan Works recommendation to discontinue having any County as their administrative entity.

Page 12

MAY SESSION 2010

CONT.

The Great Lakes Bay Michigan Works Administration (further referred to as Administration) laid out the following reasons why they requested the change to the Workforce Development Board to consider the change in the administrative entity:

1. The majority of Michigan Works! Agencies are structured differently.
2. We already operate separately from Saginaw County in many ways.
3. Saginaw County budget concerns.
4. Saginaw County personnel system causes our staff to be underpaid in relation to other Michigan Works! Agencies, and is not set up to meet our needs.
5. We have to manage two disparate fiscal systems.
6. A variety of day-to-day operational issues.

Administration also stated that a minority of administrative staff (perhaps 3 or 4 out of 15) have expressed concern over the possibility of "breaking away from" Saginaw County. Their concern is centered on the possibility of lesser health care benefits and retirement health care benefits.

If you have any questions please see either of us.
