

# Midland Area Transportation Study

MATS

## Public Open House

### Long Range Transportation Plan & Public Transportation Study

#### We want your input!

This open house is an opportunity for you to provide input regarding the region's transportation system.

We would like to:

- Provide a progress update on the Long Range Plan
- Present proposed transportation projects for the future (road, non-motorized and transit)
- Review region's transportation issues
- Discuss goals and objectives of the Long Range Plan
- Collaborate on all transportation modes

#### ► Open House Details

**When:** Wednesday, November 16,  
4 PM - 7 PM

**Where:** Grace A. Dow Memorial Library  
Community Room  
1710 W. St. Andrews Road  
Midland, Michigan 48640

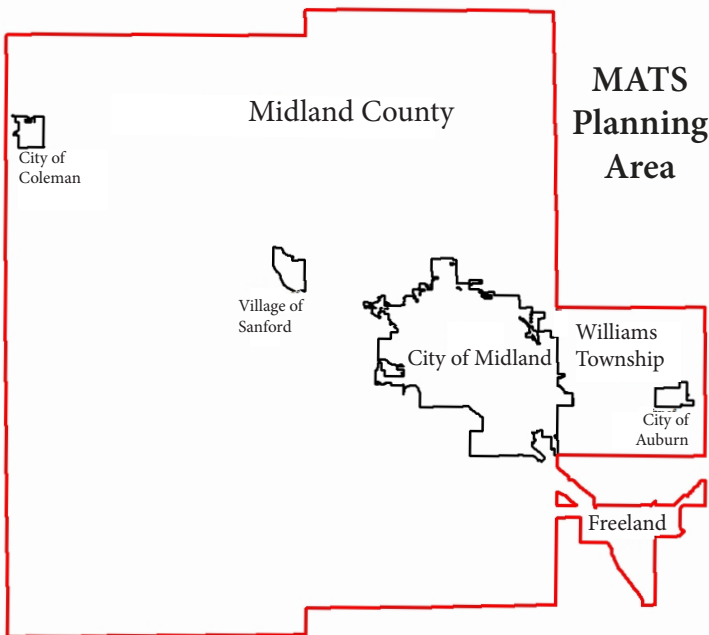

#### Give your input on public transportation!

- What are your thoughts on current services?
  - What are the weaknesses, gaps and/or strengths
- Should services be changed? If so, how?

#### What is MATS?

- We are the Metropolitan Planning Organization (MPO) for the Midland Area. Our activities include:
  - Focus on regional transportation planning services
  - Facilitate intergovernmental cooperation
  - Program federal-aid transportation projects
  - Provide public outreach regarding transportation issues
