

Reporting a Foodborne Illness (Food Poisoning)

If you believe you have gotten sick from food you ate at a restaurant or grocery store in Midland County, please call Midland County Environmental Health at (989) 832-6380. (Please note that our office hours are 8:00am - 5:00pm, Monday - Friday.)

Please be prepared to provide the following information:

- Your Name, Address, and Phone Number (you will remain anonymous to the restaurant)
- Name of restaurant
- Location/address of restaurant (it must be in Midland County)
- Date of suspect meal
- Specific information about the foods you believe made you sick
- 3-day food eating history
- When your symptoms began and what they were
