25th Cruise 'N Car Show

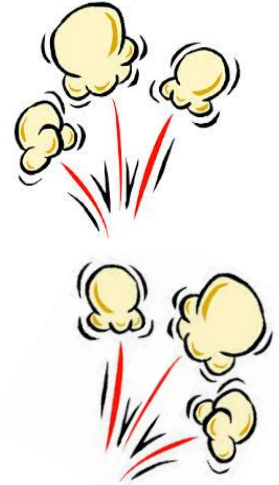

Friday, September 12th & Saturday, September, 13th

Come on Downtown Midland to see the Cruise 'N Car show, Friday night from 5pm – 10pm and Saturday from 9am to 4pm. Entertainment provided by The Doo Wop DJ's – music, dancing, hula hoop contests and cool cars! Don't forget to stop by the CSHCS Popcorn Stand in front of Journey's. We have several tents this year and will have popcorn, water, face painting and balloons. All donations go to our local CSHCS to assist our families with needs not met by other programs. So bring the whole family down and enjoy the Hot Rods, Street Machines, Customs, Antiques, Trucks and Motorcycles. The car cruise starts at 7pm Friday Night.....

and don't forget your popcorn!

25th Anniversary

Midland County has a NEW webpage

Open your web browser and enter:

co.midland.mi.us

Under RESIDENTS or GOVERNMENT
select HEALTH DEPARTMENT.

CSHCS is the first click under Women
and Children's Services. You can pay
your payment agreement, see
scholarship information, connect
with your local CSHCS team
and more!

Congratulations to
our social worker
Kelly Muizelaar!

She is now
Mrs. Kelly Bauer!!

Plan of Care....What is it? And Do I Need One?

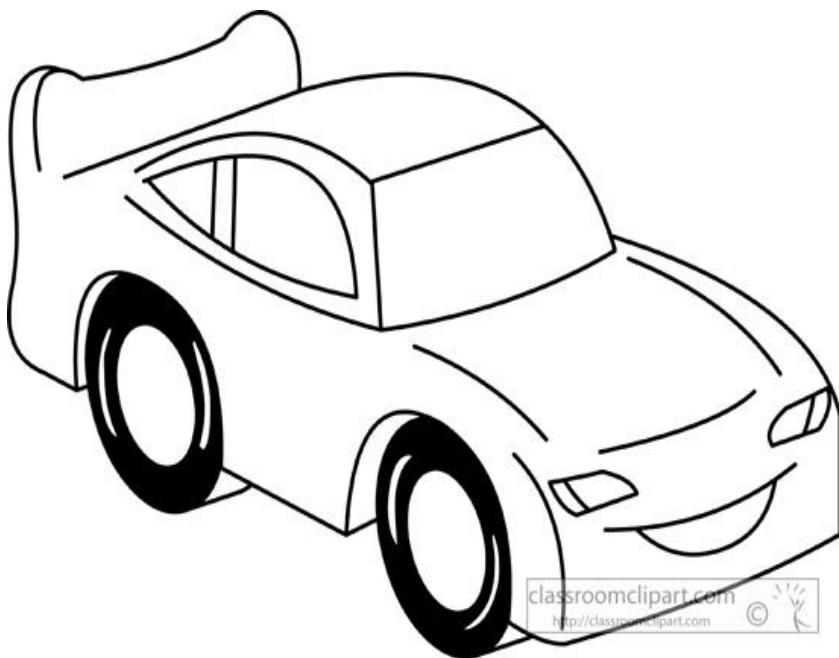

A CSHCS Plan of Care is a client centered plan which allows the CSHCS team and the family to communicate and organize the short and long term goals of the client. As the client's needs are met or a new need is noticed, the Plan of Care is updated. Our goal is for each of our clients/families to have a yearly visit with one of our nurses or our social worker. This meeting is an opportunity to:

- Review your child's medical, social and transitional needs
- Provide updates on the benefits available to your child as well as your family
- Discuss any needs your child may have in regards to obtaining medical supplies, medications, therapies, transportation assistance and mileage reimbursement

We like for each family to meet with one of our team members at least once during your eligibility year. Even if it is at the end of the eligibility year our nurses or social worker can help transition you off of CSHCS or help with your renewal paperwork. Contact us today to set up your Plan of Care!

Back to School.....means new classrooms, new schools, new books, homework, school lunch and recess! If your child's school requests an immunization record or a hearing and vision screening record contact the health department. The health department immunization number is (989) 832-6655. Your child also has to be screened for hearing and vision one time between the ages of 3 and 5 years old to enter Kindergarten. Some Midland preschools are screened, but if your child needs a hearing and vision screening for school Kindergarten contact our hearing and vision department at (989) 832-6673.
