

## Why should my child go?

Summer camp for some kids wouldn't be missed for anything. But for kids with special challenges is it even possible? **YES!** There are lots of camps in Michigan who are able to care for your child while they experience all of the fun that camps have to offer: including Arts & Crafts, swimming, boating, singing, making friends, and lots of other great activities. This is a great opportunity for your child to meet others who have similar challenges and be able to share one of a kid's best adventures - CAMP! If you need help finding a camp that is suitable for your child's needs contact Sandy or Michelle with CSHCS.
