

Meeting location map:

January 16, 2019 PUBLIC MEETING #3

Midland County Services Building
220 W. Ellsworth Street
Midland, MI 48640-5194

Meeting will begin at 7:00pm

Midland County Parks and Recreation invites you to a third public meeting regarding the master plan for the 117 acre property east of Sanford Lake Road. The county acquired the property from the Michigan Department of Natural Resources. We seek to maximize county resources and establish a vision for the property that balances good stewardship, county-wide recreation needs and a reflection of your interests and values.

This event will give you an opportunity to view the final master plan based on previous April and October 2018 public meeting discussions.

AGENDA

- Introductions
- Present final master plan (based on input from April and October 2018 public meetings)
- Please go to: <https://www.co.midland.mi.us/ParksandRecreation.aspx> to view a copy of the plan.

The meeting will be led by ROWE Professional Services, the consultant hired to assist the county with developing the master plan.
