APRIL 10 PUBLIC MEETING

Swanton Memorial Center

7:30 pm-6422 N Water Road, Sanford MI 48657

Midland County Parks and Recreation invites you to a public meeting to gather input as it develops a master plan for the 117 acre property east of Sanford Lake Road. The county has acquired this property from the Michigan Department of Natural Resources. We want to maximize county resources and establish a vision for the property that balances good stewardship, county-wide recreation needs and a reflection of your interests and your values.

This event will give you a chance to provide input regarding features that will be considered in the Site Master Plan for this facility.

AGENDA

- **Introductions**
(The meeting will be led by ROWE Professional Services, the consultant hired to assist the county with developing the Site Master Plan)
- **Review goals for the meeting**
- **Review background of the site and adjacent conditions**
- **Identify key features to be considered in the plan**
- **Next steps**
(ROWE will prepare a draft plan and present this at a future public meeting)
