

Dial-A-Ride Change to Mall Pick-Up/Drop-Off

Effective Immediately:

Dial-A-Ride will offer ALL passengers going to the Mall the option to choose their drop off and pickup location:

- *Target*
- or
- *The Door Between Ruby Tuesday and Barnes and Noble*

What you need to do:

When you call to book your ride going to or from the mall, tell the dispatcher which door you want to be dropped off at. Also be sure to tell the dispatcher which door you want to be picked up from. It is your responsibility to remember which door you choose to be picked up from.

The Choice is Yours:

Dial-A-Ride would like to thank our passengers for helping us continue to improve our service by providing important feedback. If you have any additional questions or concerns please call the DART office at (989) 837-6940. Thank you!
